GRADUATE STUDENT GRADUATION DEADLINES

APRIL 2023

JAN 27   * Last day for graduate students to **apply for April graduation** online in GradProg.

FEB 10   * Last day for departments to accept a student's April graduation application.
MAR 15   *** Last day for departments to approve graduation applications for students who plan to graduate in June or August and who want to walk in the April Graduation Ceremonies.***

FEB 1-MAR 17   * **Use the templates found on the Engineering College website!** Provide copies of your thesis/dissertation to your committee for technical review. Allow for two weeks' time for all committee members to review and certify. During this time provide a copy of thesis/dissertation to Kris and work with her to meet the formatting requirements of your thesis/dissertation.
* <u>**Next steps:**</u>
  1. All Committee members certify Ready for Defense in GradProg.
  2. Set up a date and time with committee for the **defense to be held by March 31**.
  3. Contact Kris to schedule your defense in GradProg.

FEB 1-MAR 31   * **Hold your defense.** This is to ensure you have sufficient time to complete the ETD version of your thesis/dissertation for approval by Graduate Studies and the college by the deadlines below.
* After passing the defense upload your final ETD draft of your thesis/dissertation in GradProg and email a copy to Kris for formatting review.

APR 12   * Engineering College deadline to submit thesis/dissertation ETD PDF in GradProg. Watch for suggested edits and then resubmit.
Note: In order to meet the Engineering College deadline you need to have already held a thesis/dissertation defense; completed the committee's qualifications; and gotten committee approval submitted in GradProg.

APR 19   * Deadline to complete Department Online Exit Survey.
* Deadline to order a bound copy of thesis/dissertation for your advisor. **Email the receipt to Kris.**

APR 27   *Graduation - University Commencement*
APR 27-28   *Graduation - College Convocations*
